

BRA Board of Directors

NICOLA HALL, FBRA, BRA PRESIDENT

Nicola was a founder member of the BRA and its Chairman until her retirement in 2021 when she was elected President. She is the director of The Bayly School of Reflexology and thousands of students have attended training courses with her over the years. She currently practises and runs courses from The Bayly School in Worcestershire.

SALLY EDWARDS-PRICE, MBRA, BRA CHAIR

Reflexology found me at the age of 19, which inspired me to train as a practitioner. I gained a BSc (Hons) in Complementary Therapies where I learnt the practice and have provided reflexology for over 20 years in therapy centres, cancer care settings and from a private practice at home. My MSc and Professional Doctorate both focussed on reflexology and I have taught the therapy for a number of years in University settings. I have been a board member of the BRA since 2014 as treasurer, vice chair and now chair.

PHILIPPE MATHON, MBRA, BRA TREASURER

After years in the corporate world, Philippe Mathon decided to qualify with the British Reflexology Association in 2000, and in acupuncture in 2002. His practice is in Central London, near Paddington.

Philippe has been involved with the BRA board on and off since about 2005: he was the Lecture Day Co-Ordinator for about 6 years and the treasurer. He came back on the board in 2019 and is now the association's Treasurer.

He also teaches yoga and is qualified in vegan nutrition that he tries to integrate as much as possible with his patients.

JACQUELINE BAILLIE, MBRA

I qualified as a Reflexologist in February 1982 and a few years later was invited to join the board of the BRA. During my years on the board I have acted as Minutes Secretary and Treasurer and have also enjoyed attending IHC meetings on behalf of the BRA held in the House of Commons. Although I am 83, I still enjoy practising Reflexology.

ROXANNE WIN, MBRA

Roxanne Win qualified as a Reflexologist with The Bayly School in 2005 and also works as a Soft Tissue Therapist in and around Maidenhead, Beaconsfield and Marlow. Specialises in areas of fertility/maternity, disabilities and sport.

LINDA GILLING, MBRA

REBECCA BROWN, MBRA

ANGELA SCHROEDER, MBRA
